ORDINANCE No. 43.

Concealed Weapons.

Section 1. No person shall in this city wear under his clothes, or concealed on or about his person, any pistol or revolver, except by special permission from the mayor; nor shall any person wear under his clothes, or concealed on or about his person, any slung shot, cross knuckles, knuckles of lead, brass Permit from the mayor.

or other metal, or any bowie knife, razor, billy, dirk, dirk-knife or dagger, or any knife resembling a bowie knife, or any other dangerous or deadly weapon. Any person violating any provision or requirement of this section shall be deemed guilty of a misdemeanor, and upon conviction thereof before the police magistrate shall be fined not less than five dollars nor more than one hundred dollars. Provided, however, that this section shall not be so construed as to prevent any United States, territorial, county or city officer, or any member of the city government, from carrying such weapons as may be necessary in the proper discharge of his duties.

Passed and approved June 14, 1883.

ORDINANCE No. 46.

Building and Other Permits.

Section 1. No person or corporation shall hereafter erect a building or structure of any kind, or add to, enlarge or extend any building or structure already erected, or which may hereafter be erected, without first obtaining a permit from the committee on building permits. The applicant for such permit shall state the exact site to be occupied, the material, dimensions and estimated cost of the proposed building or structure, and the probable time to be occupied in building.

The committee on building permits shall thereupon, after an inspection of the premises, or without inspection, as they may see fit, if they approve the application, issue a building permit to the applicant, giving him permission to erect a building or structure at the place and of the materials and dimensions mentioned in the application, and authorizing the use and occupation of such portion of the roadway and sidewalk in front of said premises as the committee may deem proper, and limiting the time for which said permit shall continue. The committee on building permits shall, if they see fit, require that plans of the proposed erection, alteration or addition shall
